

Lord Kubera & Goddess Mahalakshmi Mantra for Prosperity

There is a deep connection between Lord Venkateswara, Lord Kubera and Goddess Mahalakshmi. It is said that all offerings made to Lord Venkateswara at Tirupathi are passed on to Lord Kubera, who is the keeper of wealth for Goddess Mahalakshmi.

Receive the Benevolent Grace of The Divine Mother, through her Lord Kubera and Goddess Mahalakshmi aspects. **The Divine Mother wishes to protect her devotees during this period of catastrophic economic turmoil, and grant them financial and spiritual benefits. To this effect, she has communicated a spiritual & energized Mantra to her devotees; through Dr. G. Krishna Kumar, the Temple Founder, President and Spiritual Director.**

Dr. Kumar shared this "**Lord Kubera & Goddess Mahalakshmi Mantra**", along with its Significance & Benefits, with devotees during the Deepavali Function this year on Sunday, Oct. 26, 2009.
